

Center for Human Development

Eco Culture Facilitator's Workshops:

To build youth leadership capacity for engaging hundreds more youth in schools, youth groups, and other community settings in learning about the process of Eco living and developing environmental sustainability in homes, neighborhoods, schools and communities CHD organized Eco Culture facilitator's workshops.

Target audience of these workshops is young women and men aged 12-29 years. Priority is given to those who have experience to act as leader in their community or have strong interest to act as eco-culture activists.

National Consultation Workshop on Youth Engagement in Climate Change

"As environment activist we should know climate change on Human right perspective." Said Md. Biozid Jessorey, executive Director Center for Human Development during his presentation on Environment and Climate Change: Human Right Perspective.
